

TURNING DREAMS INTO REALITY WITH

# COLLECTIVE MENTORING

AS OUR COMMUNITY CONTINUES TO GROW, WE INVITE YOU TO JOIN US ON OUR NEXT JOURNEY AS WE CONNECT WOMEN ACROSS AUSTRALIA

## NATIONAL PROGRAM

Our national program will connect women from across Australia. The perfect mentoring match might not be in the same city, let alone the same state. We are breaking down geographical barriers and providing greater opportunities for more women.

## GROW AS A MENTEE

Receive support, motivation and inspiration through a solid mentoring relationship. Mentoring is a vehicle that allows mentees to reach for the stars and provides them with valuable guidance and opportunities they may otherwise not have had access to.

## GIVE BACK AS A MENTOR

Mentoring not only provides the opportunity to give back, but also an opportunity to learn and develop your own leadership skills. We guarantee you'll get a fresh perspective from the relationship. Want to mentor but keen to be mentored? Our program gives you the option to do both!

## ALL ONLINE

Our mentoring program is online and mobile friendly. Once you have connected and are engaging in your mentoring relationship, you can use other platforms like Zoom, Skype, Phone etc. to connect.

## YOU SET THE TERMS

Set meetings and expectations to suit you and your mentee. Your mentoring relationship might go for 6 weeks or 6 months. It's up to you.

## SHARE THE LOVE

The more amazing women we have in the program, the more opportunities will be available to you all. If you know someone who would be great for this program please feel free to share this with them. The more the merrier!
