

Summary of Incentives for Australian Apprentices

Post 1 July 2024

From the 1st of July 2024, the Federal Government has streamlined the incentive program to allocate more support to industries that are considered a priority to building the Australian economy, and also to support more Australian Apprentices to enter into the Clean Energy Sector.

The following payments apply where the commencement or recommencement date of the Australian Apprenticeship is on/after the 1st of July 2024. Other eligibility conditions apply.

Australian Apprentice Training Support Payment

Standard Eligibility Criteria:

Where the Australian Apprentice is:

- Undertaking a Certificate III, IV, Diploma or Advance Diploma;
- Undertaking a qualification and occupational outcome stated on [Appendix A: Australian Apprenticeship Priority List](#); and

Where the employer is:

- Registered for Single Touch Payroll with the ATO or has ATO Exemption, and therefore wage evidence is available through Single Touch Payroll.

Installments	Full-time Rate	Part-time Rate
6 months point of the Australian Apprenticeship	\$1,750	\$875
12 months point of the Australian Apprenticeship	\$1,750	\$875
18 months point of the Australian Apprenticeship	\$750	\$375
24 months point of the Australian Apprenticeship	\$750	\$375

- Claims will appear in ADMS when they become 'due' at the 6, 12, 18 & 24 month mark.
- Australian Apprentices will have 12 calendar months to submit their claim forms via ADMS.
- As the Australian Apprentice Training Support Payment is considered a 'taxable income', failure to provide a Tax File Number PDF Summary to Mas National prior to submitting a claim form in ADMS will result in the above payments being taxed at the maximum rate of 47%. The TFN PDF Summary must state the 'Department of Employment and Workplace Relations' as the employer.

New Energy Apprenticeships Support Payment

For Australian Apprentices who choose to undertake apprenticeships in a priority occupation that offers meaningful exposure, experience and work in the clean energy sector.

- Designing, developing, constructing, and operating the infrastructure for generating, storing, transmitting, and distributing energy from renewable, zero or low emissions energy sources.
- Reducing or managing energy use.
- Installing and maintaining the technology that uses clean energy rather than fossil fuels.

Standard Eligibility Criteria:

Where the Australian Apprentice is:

- Undertaking a Certificate III, IV, Diploma or Advance Diploma;
- Undertaking a qualification and occupational outcome identified as 'Clean Energy' on the [Australian Apprenticeship Priority List](#); and

Where the employer is:

- Registered for Single Touch Payroll with the ATO or has ATO Exemption, and therefore wage evidence is available through Single Touch Payroll.
